FOOTSTEPS '84

Lisa,

I am going to miss you sooooooo much your one of my best friends and I tell you everything. We still have to ditch together but we can never go to the Galleria alone again! Between the bums and the punks! God we've been through a lot together and its hard to believe were still friends. Fuck Jill & Stephanie (losers from Egre!) I hope we can both pass all our classes next year, & in summer school! Lets just go to one more all night party & 31 flavors - Matt - BABE! No more band-aids in our salads, lasagna at 2 in the morning and going out with Monte and his silent partner! (even if he does have a nice car!) We still have to go to [illegible] Phases. But never forget the time we got drunk in math!

I love you

Tracy

Keep in touch

Dear Lisa, you know that I really adore your bod. I'm glad I met you and I will call you up in the summer to see (treat) a movie.

ADMINISTRATION, FACULTY AND STAFF

THE PRINCIPAL

The principal's duties include: Staff supervision and evaluation; Public relations with PTSA, Community Advisory Board, Media, and Staff; Faculty Meetings; Staff Development; Student Body Finance; Basic activities; and all other school headaches.

This has been an unusual year at Portola Junior High with the eighth and ninth grade students moving on to high school; however, I believe that students handled the reconfiguration and its implications with their usual maturity and optimism. I'll miss the young people who are graduating, and I wish them much happiness and success.

We are counting on the returning seventh graders—who will be our veterans—to set examples for the younger students who join us next year.

PORTOLA'S H.G.

Dawnalyn Murakawa and Sean Reyes, pictured here with Mrs. Delahoussaye, won the 1984 Martin Luther King Essay and Art Contests.

The annual International Pot Luck Fair provides magnet families and staff with great food and entertainment.

9th graders pose during a field trip to the Shogun Age Exhibition at the L.A. County Museum.

Magnet teachers meet each Friday for planning.

MAGNET

The afterschool Strings Club meets every Wednesday and serenades school office personnel.

Mrs. Chamberlain, Magnet Secretary, and Mrs. Stockser, Magnet Aide and parent, stand with Mrs. Horwitz in front of a map that shows the many home locations throughout L.A. of Magnet students.

Mr. Richards of Philips Academy in Massachusetts presents a preview of prep school life to the 9th graders.

Students meet in "Lunch Bunch" to discuss concerns.

The Portola Energy Commission is made up of a group of students whose goal is to reduce the energy consumption here at Portola by 15%. They take surveys and check to see whether teachers and/or students have turned off the lights in their unoccupied rooms during lunch. They leave reminders if the lights are left on. The teachers' rooms with the lowest amount of warnings receives a certificate of recognition. We owe it to this group to keep our electricity bill down. The Portola Energy Commission . . . PORTOLA

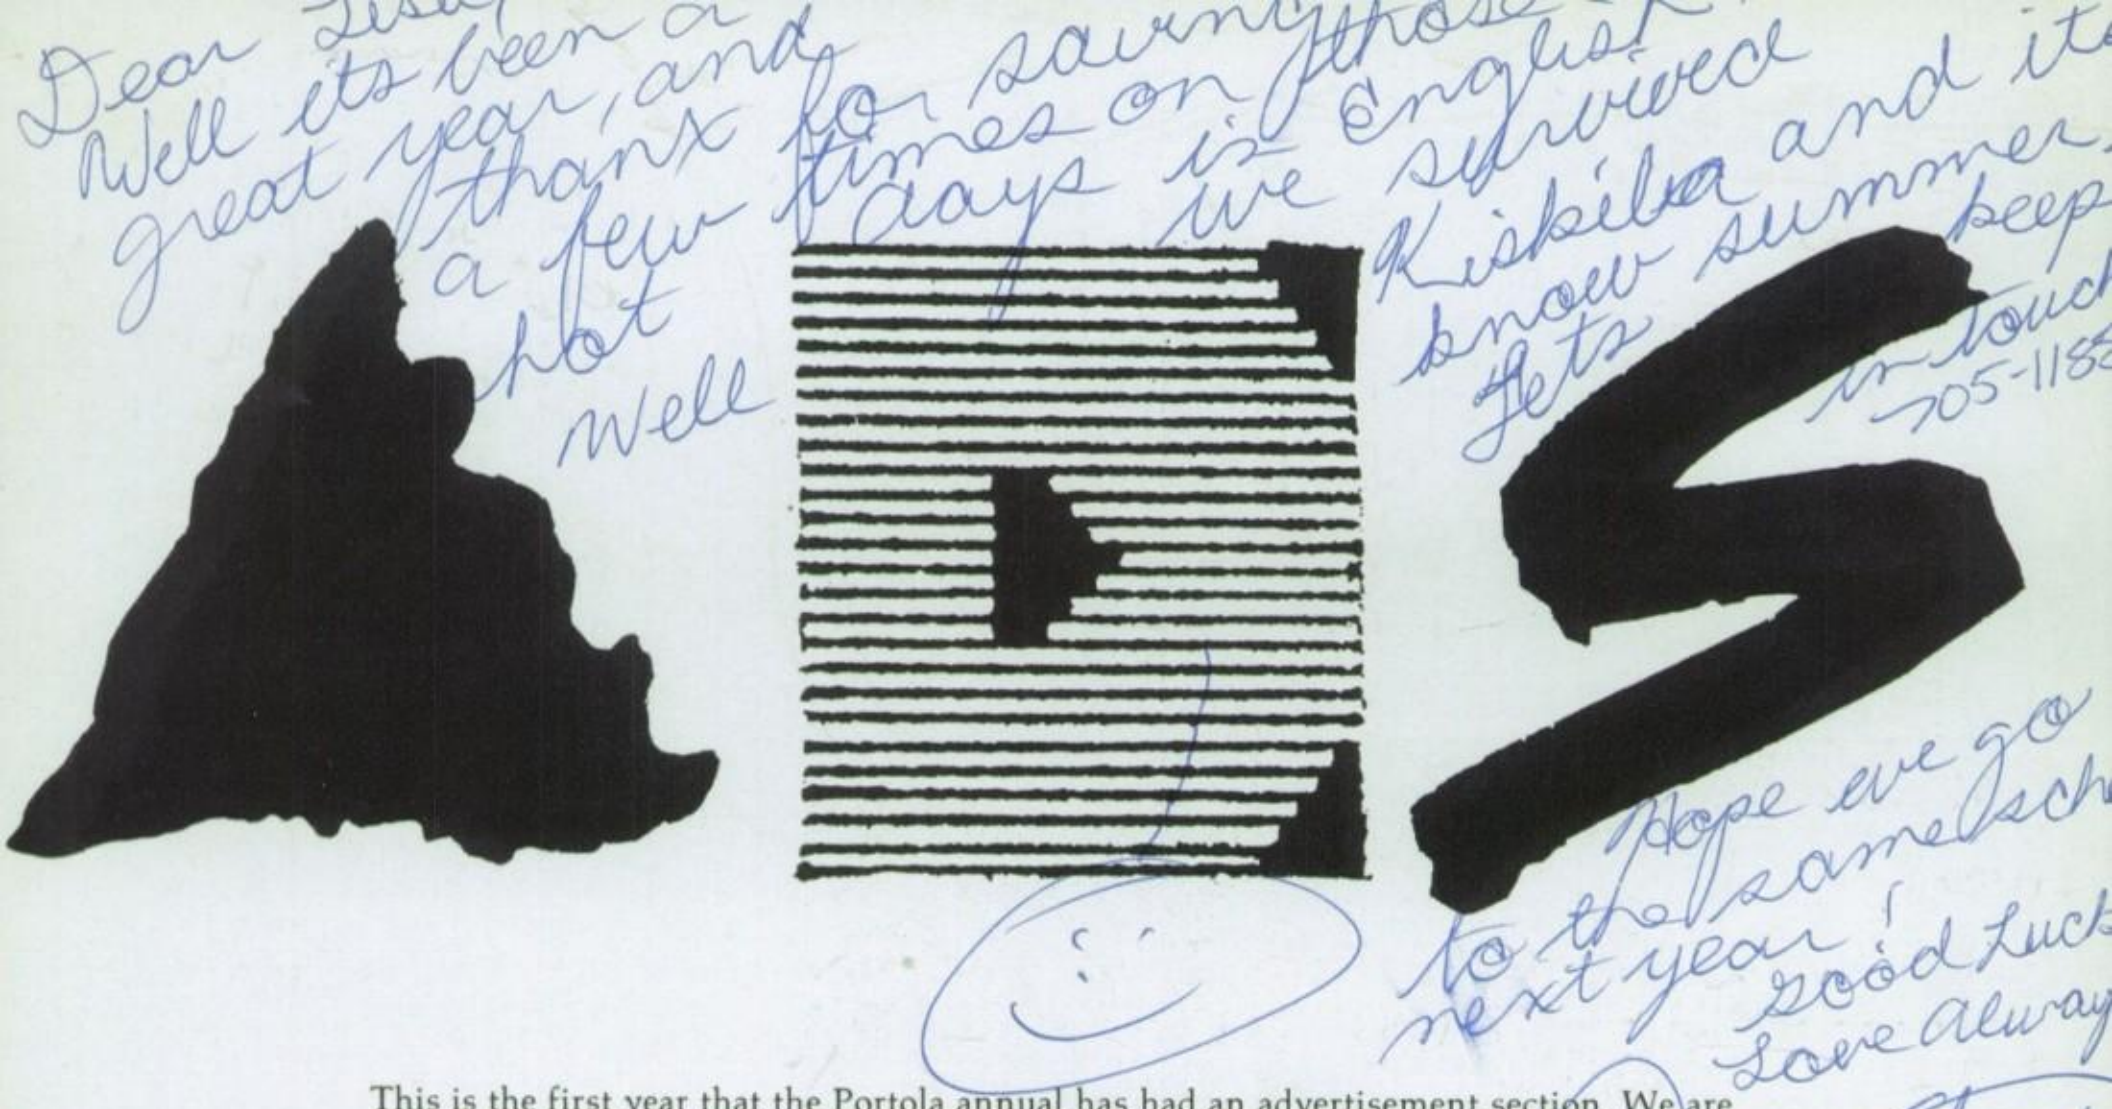
The goal of the 1984 Portola Olympics was to honor the Los Angeles Summer Games this year. Included in the ceremony was a parade of nations. Greece, the historical home of the Olympics, started off the parade, with the U.S.A., the host nation, ending it. The ceremonial torch used to light the Olympic flame in Lake Placid, four years previously, was carried around the track by Mark Ellis, Student Body President, and Louise Lew, most-athletic girl. The Portola Olympic flame, touched off the start of the intra-mural after school games. Students participated in track and field events, including the high jump, 100 yd. dash, long jump, mile run, and the pentathalon.

OLYMPICS

The ceremony was attended by local dignitaries, Harry Usher, Vice President of the LAOOC, and Mr. and Mrs. Blumberg, parents of Winter Olympic ice dancer, Judy Blumberg.

The faculty members who helped organize the event indluded: Mrs. Cheltenham, Mrs. Cornell, Mrs. DelleDonne, Mr. Eidson, Mrs. Erskine, Mrs. Goldberg, Mrs. Horwitz, Mr. King, Mrs. Kluth, Mrs. Korengold, Mr. Minick, Mr. Smith, and Mrs. Vinyard.

The P.T.A. provided refreshments, Balloons provided by Pat Ward, filled the sky. Great Western Savings provided the trophies. Van Nuys High School Marching Band provided music. Sam the Eagle visited Portola, courtesy of the LAOOC. The olympic torch was provided by ARCO. The Color Guard of Canoga High School provided fan-fare.



This is the first year that the Portola annual has had an advertisement section. We are pleased with the response of our community and students. The yearbook staff wishes the thank everyone who contributed to our ad section.

Good Luck! Have fun this summer!

PROJECT BUSINESS

A DIVISION OF JUNIOR ACHIEVEMENT

Project Business is a cooperative effort between the business community and educators. Mr. Robert Sharmin taught Project Business to Ms. Jones' sixth period World History Class.

Each week Mr. Sharmin came into the classroom to conduct Project Business. The experiences and first-hand information which he shared with the students, gave them an insight into our economic system as well as the opportunity to investigate various career fields.

A trip to a metropolitan bank was also a most enjoyable part of the course.
